

University of Mostar, Faculty of Medicine
Medical Study in English

CLINICAL ROTATION: PEDIATRICS
Course Coordinator: Ana Boban Raguž, MD, PhD

Academic Year: 2024/2025

April, 1 - 16, 2025.

I. COURSE AIMS:

The aims and objectives of clinical consultations are:

- to establish the relevant facts of the history from both the parent's and the child's or young person's perspectives.
- to elicit all relevant clinical findings.
- to collect the findings from the history and examination.
- to formulate a working diagnosis or differential diagnosis.
- to assemble a problem list and management plan.
- to communicate this to the child or young person and their family.

II. LOCATIONS:

Seminars will take place at the Faculty of Medicine University of Mostar, Bijeli brijeg bb, 88000 Mostar

Practicals will be held in Clinic of Pediatric, University Clinical Hospital Mostar, Bijeli brijeg bb, 88000 Mostar

III. COURSE STRUCTURE:

Total: 100 hours

seminars (S): 20 hours

practicals (P): 80 hours
