

BINDING AND COVER SPECIFICATIONS for GRADUATE THESIS

The **final version** of the Graduate Thesis, which is delivered to the library along **with a CD and an e-version sent to medik@mef.sum.ba**, should be bound in a **hard dark blue cover** with **white lettering**.

The **signed statement** (attached) should be bound together with the Thesis, immediately following the title page.

The text on the cover shall be written in a **sans-serif font (Arial)**, using the following specifications:

- **Arial Bold, 14 pt, uppercase** – for the name of the **University** and **Faculty** (positioned 3 cm from the top edge of the page);
- **Arial Bold, 16 pt, title case** – for the **student's first and last name** (6 cm from the top edge of the page);
- **Arial Bold, 20 pt, title case** – for the **title of the thesis** (10–12 cm from the top edge of the page, depending on the length of the title);
- **Arial Bold, 16 pt, uppercase** – for the words **GRADUATE THESIS** (21 cm from the top edge of the page);
- **Arial Bold, 14 pt, lowercase** – for **Mostar, 2026** (or the relevant year of thesis defense), positioned 3 cm from the bottom edge of the page.

On the **spine**, the following information shall appear (from top to bottom): **Surname and first name,* / GRADUATE THESIS**, **year of defense**, and a **rectangle (1 × 4 cm)** reserved for the library sticker.

IMPORTANT NOTES for the Spine:

- * Medical students shall indicate the letter **M**
- * Dental students shall indicate the letter **D**
- * Medical students shall indicate the letter **E**
