

## **School of Medicine University of Mostar**

### **APPLICATION FOR ADMISSION TO THE INTEGRATED UNDERGRADUATE AND GRADUATE PROGRAM: MEDICAL STUDIES IN ENGLISH IN THE ACADEMIC YEAR 2018/2019 (first call)**

The admission procedure for all prospective applicants comprises:

1. Completed secondary education or equivalent from the country where the education was acquired (overall average over the continuum of all 4 years of the secondary school education comprising all the grades, together with the specific evaluation of grades in Biology, Chemistry and Physics).
2. Attended lectures in Biology, Chemistry and Physics for at least two years during secondary school education
3. Psychophysical abilities to study medicine
4. Additional student achievement based on the Manual for enrolment at the School of Medicine University of Mostar.

The above conditions represent the priority criteria which will be used for selection of candidates.

#### **Number of available places:**

Number of available places is determined each year for the upcoming academic year. For upcoming enrolment 30 students, citizens of Bosnia and Herzegovina or foreign citizens are predicted.

#### **Required application components:**

- a completed application form (available at the School of Medicine or online at: <http://www.mefmo.ba/> )
- citizenship certificate (for Bosnia and Herzegovina citizens) or photocopy of passport (for foreign citizens);
- birth certificate;
- two photos according to the instructions available at: <https://travel.state.gov/content/visas/en/general/photos.html>
- originals or certified copies of the diploma and their official translation to Croatian language (may be submitted later in the proceedings);

- Decision on Recognition of Foreign Educational Qualifications (more information at: <http://www.fmon.gov.ba/Nostrifikacija/Index>) for applicants who have completed their previous education abroad;
- Certificate of English Language (one of the following): proof of four-year English language learning during high school education; Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) or Certificate in Advanced English (CAE) if the previous education was not in English language;
- a CV and a written statement on the reasons for enrolling in the study of medicine in English language in Mostar;
- statement on health and psychophysical abilities for medical studies (part of the application form);
- a statement or certificate of financial capacity (of candidates, parents or institutions) necessary for funding the study;
- proof of payment of EUR 70 in BAM counter value at the account of the School of Medicine in Mostar:
